Bar Committee Recommends Williams Avenue Court Line

Proposals For Three-Community Justice Court Boundary Readied For County Board Of Supervisors

Members of the advisory committee of the Santa Clara Bar Association, preparing recommendations for the lower court revision plan in the cunty, have approved a northern line for Campbell approximately a mile further north of the originally proposed Hamilton Avenue line. This new line would be the northern boundary for the Los Gatos-Saratoga-Campbell justice court district recommended by the committee. Final proposal is to be presented in the near future to the County Board of Supervisors for final decision.

The revised line as included in the revised report, commences at the most northwesterly corner of the present Campbell Township on Williams Road, then continues easterly along the southerly line of Williams Road to Santa Clara-Los Gatos Road; thence along the westerly side of Santa Clara-Los Gatos Road to the quarter section line running through the center of Sections 23 and 24 (23 lies west of San Jose-Los Gatos Road, and 24 to the east), the quarter section line lying exactly one-half mile south of Moorpark Avenue and just south of Maywood Avenue. Where the line crosses Section 24 it is 600 feet south of Fruitdale Avenue.

It proceeds along the quarter section line in an easterly direction to westernmost line of Los Coches Rancho, then in a generally southeasterly direction along the western line of Los Coches Rancho, crossing the San Jose Brick Company property in a southeasterly direction to the center line of Los Gatos Creek.

Northeast downstream on the center line of Los Gatos Creek to the easterly line of Meridian Road.

The advisory committee, headed by Attorney Joseph Bonacina, has proposed that most of the present Campbell Township be included in the Los Gatos-Saratoga justice court district recommended recently by the State Judicial Council. The latter group's plan would place Campbell in a San Jose justice court setup, but Campbell residents have supported the alternate three-community justice court plan which would give Campbell a more equal voice in the court operation.

County Treasurer Duties Outlined For Rotarians

Duties and functions of the county treasurer's office were described for Campbell Rotarians Monday by Santa Clara County Treasurer Edward Ferguson.

Describing county government as "big business," Ferguson said county receipts for the last fiscal year were $50,000,000, with $47,000,000 disbursements. The county issued $10,000,000 in bonds. It has $2,932,000 in inactive deposits and $1,600,000 active deposits. Other transactions involved 123,277,000.

He touched briefly on road improvement bonds and said one of the main duties of his office is the administration of state inheritance tax, which varies from five to 15 percent according to the individual case. A widow is entitled to receive up to $24,000 tax exempt inheritance from her husband's estate and to tax exemption of 50 percent of their community property; an adult child child's inheritance is tax exempt up to $5,000; exemption for a minor child is up to $12,000.

Under gift tax regulations, persons may receive up to $3000 without paying taxes.

A deceased person's joint accounts and joint safedeposit boxes must be inventoried before the other party may draw from either one. Usually a "consent to transfer" is issued in these cases.

Five members of the winning club look on in obvious pride. Paul Lipari and Dan Estrada stand between Maderis and Gerevas while the other three cagers are John Oldham, Fred Grassle and Vic Berg. To add to the presentation was the mere fact that Maderis sponsored the team that fell in overtime play during the special playoff series. EDITORIAL

Contrary to what appears to be a popular assumption, the U. S. Government is not in business for the purpose of making money for a few isolated individuals.

There has come to hand a report that two real estate men in the southwest corner of Campbell Township are vitally interested in having the section's mailing address changed to Los Gatos —for the alleged selfish motive of increasing the value of the property which they have for sale in the area.

Many a business man will agree that address has a lot to do with property values. Los Gatos property values are reported to be higher than those in Campbell.

We can understand a real estate owner's desire to hold property in a high value area; but to buy land in a section having lower values, then try to boost the value by having the government hand out a new mail address is contrary to post-office policy and certainly is questionable ethically.

Since it is stated by the Campbell Postmaster that residents of the section receive their main mail delivery a day earlier than they would from a Los Gatos rural carrier, the question of obtaining an improved mail service can scarcely be considered.

Further, contrary to statements of one of the realtors involved, neither the Campbell nor the Los Gatos postmaster was contacted by him or his attorney. The postmasters have stated they were not approached by the real estate men or their attorney. Both added that postmasters may take no part in such moves, and both frankly condemned such a proposal.

The Campbell Chamber of Commerce board of directors is to be commended for taking a frankly disapproving view of the entire proceedings and to have resolved to call the matter to the attention of postal authorities in Washington, D. C.

C OF C BOARD HITS REPORTED DEAL TO INCREASE PROPERTY VALUE BY CHANGE TO LOS GATOS MAIL ADDRESS

Stern disapproval of the means and the purpose was voiced Wednesday night by the board of directors, Campbell Chamber of Commerce, of a reported proposal by two real estate operators to transfer a 600-home section of the Campbell Postoffice district to Los Gatos postal service area for the alleged purpose of increasing values of property held by the realtors.

The area in question is bounded on the east by Winchester Road, on the north by the east-west line of Hacienda, San Tomas, Aquino, Allendale and Phillips Avenue and on the west by Quito Road, according to reports received by the directors.

Directors approved a motion to send letters of protest to the Campbell and Los Gatos Postmasters and to the Third Assistant Postmaster General or whatever postal authority handles such cases.

They voted "individually and collectively as a chamber to do whatever is necessary to stop the move," and issued a statement through President Eugene W. Barnes, to the effect that "The Chamber of Commerce feels that the procedure was unorthodix and the entire move based upon selfish motives of the proponents, and that it was misrepresented to the local affected residents."

Several residents of the area involved were questioned this week by the Campbell Press about the alleged petition said to have been drawn up by the real estate men. A housewife on W. Parr Avenue told the representative that she had heard of the proposal, but "I don't think it is such a good idea. As far as property values being increased if we change over to Los Gatos, it would mean an increase in property taxes, too."

REFUSED TO SIGN

Another woman, on Parr Avenue, doubted the advisability of such a move. "A man down here, a contractor, instigated the petition so that the value of HIS property would be raised, HE thinks. We refused to sign the petition and told him to take it to the president of our corporation (Valley Homes). I don't think it will go over. It has just been started, but I do think we should find out more about it before taking any action on it."

Disapproval of the move, as stated above, is based on the point that it is purportedly a scheme to increase values of property which the two men hold for sale, and also that the proposal has been misrepresented.

One of the two men said to be behind the petition, is employed by a real estate firm in Los Gatos. In a phone conversation he stated he had seven lots for sale in the San Tomas area. Asked about mail service, he stated, "At present, under the 'old' setup it is coming from Campbell; however, we have petitions up to get Los Gatos mail delivery." He added that this would straighten out "an awful mixup" because "this is a Los Gatos district, Redwood Township." Asked if the Campbell postal service was inadequate, he replied that "Campbell postal service is very adequate. We have no trouble there."

The man went on to say that "Our attorney has conferred with both postmasters and you wil receive Los Gatos mail service as soon as we can get the transfer over."

Postmaster Ira Grim of Campbell, when asked about the petition, said the attorney "has never mentioned it to me." He said he had learned of the move by chance only two days before. He pointed out that a postoffice cannot take part in such proposals, and indicated he is opposed to such a plan.

CAMPBELL SERVICE EARLIER

He added that Campbell mail service for the area in question is faster than the Los Gatos service which the section would receive in the event of a changeover. The residents receive city mounted service from Campbell, he pointed out, while they would be given rural delivery service from Los Gatos. The last incoming morning mail and the main one, called the Highway Postoffice, is received at Campbell by 9 a.m. Campbell carriers go out with this mail at 9:30 a.m. The Highway Postoffice goes

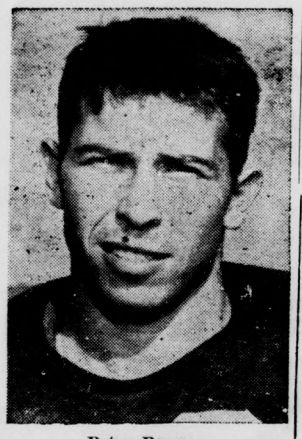
Pete Ragus, Former Local High School Star, Accepts Texas Coaching Position

Pete Ragus, "outstanding" three-sport letterman at Campbell high, and now a senior at Abilene Christian college, has been named as assistant football coach at Stamford (Texas) high school, according to Wendell Bedichek, director of public relations.

A native of Campbell, Ragus, who was graduated in 1945, lettered in basketball, track, and football at Bucville. He was elected to the All-District grid team in his senior year. Ralph Noddin who coached the Buc cage team at the time said that Ragus was an "outstanding athlete and gentleman".

Ragus, married and a service veteran, played end on the 1949 and 1950 ACC eleven.



Peter Ragus

Both years he was chosen to a first-team berth on the All-Texas Conference mythical squad and given Little All-American honorable mention. His selection to last year's Texas team was unanimous.

He was also co-captain of the '50 eleven that won 11 straight games and copped an unbeaten season by winning the Refrigerator Bowl tilt from Gustavus Adolphus college.

At the present ime he is seeking his third letter as a trackster and is co-captain of the strong Wildcat cinder squad. Pete won the 440-yard event in the annual Border Olympics at Laredo earlier this spring. Last summer he was a member of the record-smashing Wildcat mile relay team at the Kansas Relays. In 1949 he ran a leg on the mile-relay team that set a new Texas Conference standard.

This year he is running the third leg on Coach Oliver Jackson's undefeated relay team.

Superintendent L. W. Johnson of Stamford high announced that Ragus, who will be graduated this June, will coach the ends on the school's squad this fall. The local lad will report to Stanford in August to assume his new position.

Baptist Church Sermon Topic Is Shepherding God

"The Shepherding God" has been chosen as the topic for the morning worship service at 11 o'clock in the Campbell Baptist Church, 115 Sunnyside Ave., as announced by the pastor, the Rev. Lyle E. Cushman. Special music will be presented by the choir.

In the evening evangelistic service at 7:30 o'clock, "The Dynamic of First Love!" has been chosen as the topic. Singspiration, testimony, Bible Exposition mark the evening service.

Netmen Win Two, Suffer First Loss

Palo Alto and San Jose high schools were the latest victims added to the Campbell high tennis team's win belt this week.

The Bulldogs were downed 3 to 2 Wednesday afternoon at Backesto park while the Palo Altans fell by the same tune Tuesday on the local courts.

But all was not gay with the Buccaneers netters for they finally lost their first match of the season last week to Sequoia high, 5-0.

The Redwood City squad simply outclassed Coach Harold Drummond's fivesome. Some indication of Sequoia's prowess is the fact that its No. 3 singles player is a high school national champ.

The Bucs' seasonal record now stands at seven wins and one loss.

CUB SCOUT DEN TO BE FORMED NEXT WEEK

Plans for organization of a new Cub Scout Den in the Campbell area are being formulated, and those boys interested in joining the new group are invited to bring their families to the next meeting of Cub Pack 19 on Friday, April 27, at 7:15 p.m. in the Campbell Methodist Church.

There will be movies for the cubs, special skits carrying out the Railroading Cub theme for the month, and parents will have a special meeting. All who are interested are invited to attend.

Another new den, Den 4, has been organized since the first of the year and members have been engaged in a variety of activities. Mrs. Howard Guilbert is the den mother and Mr. Angelo Lacitinola is den father of the new unit.

A Pack 19 kite contest took place in March at the Campbell Union High School field. Judges were Les Titus and Charles Delzell who awarded prizes to Jack Johnson, Kent Hooper, Paul Lacitinola, Norman Guilbert, George Heiser, Ralph Richards, David Dennis.

Pack members were guests of Mr. Jones of Los Gatos for a train ride on Sunday, April 15. The cubs enjoyed a trip to the round house in San Jose.

Mr. Garland Bachmann, Cubmaster, is in charge of the monthly meetings at the Methodist Church, the sponsoring institution.

Drunk Driving Fine

Joe Fryar, 56, of Campbell, pleaded guilty April 12 to a drunk driving charge before Justice of the Peace John P. Dempsey, San Jose. He was fined $100.

Fryar was arrested March 18 in San Jose after being involved in a property damage accident.

Buc Track Team Cops Two Events At Relays; Meet Mt. View Today

With two straight dual wins in SCVAL competition and a fourth in the annual San Jose 120-30 Relays last Saturday, Campbell high's track team, rated as strong league title contenders, travel to Mt. View this afternoon to tangle with the Indians in a dual meet.

Copping two firsts and a third at Spartan field, Coach Junior Morgan's squad finished a good fourth in team standings as more than 400 athletes from 17 Northern California schools competed in the 4th running of the San Jose affair.

The meet's outstanding mark was set by Campbell's Howard Kaeding who won the Open Class high-hurdles event in the speedy time of 15.1, only .4 of a second slower than Bob Mathias' record made in 1948.

Losing ground to Commerce's Whitacker after hitting the first hurdle, the Buc star drew even at the halfway point and matched strides with the San Franciscan up to the last two hurdles. At this point Whitacker was slowed up as he nicked his barrier and Kaeding romped home in easy fashion.

Campbell four-man distance medley team turned in the most convincing win as it coasted in some 35 yards ahead of the nearest school in 11:33.2.

Running for the locals was Jack Bray, Dan Livesay, Stu Irmie and Rod Kolze.

Bray ran the opening leg, the 880, and gave Livesay a healthy 10-yard lead. Running the 440-yard stint, Livesay increased the margin to approximately 20 yards before handing the baton to Irmie. The smooth-striding Buc redhead churned his 1320 yards to the tune of a 40-yard lead. Kolze, possesser of the best time in the mile in the county, ran anchor. Loping along in his easy gallop, the Bucster breezed across the finish line well in front of Lincoln of San Jose.

The locals also picked up valuable points in the 120-yard four-man shuttle hurdle race by finishing third behind Washington, San Francisco, and Salinas.

Dennis Dunn captured a fifth in the open broadjump by leaping 19' 5¾".

Morgan said yesterday that Marvin Allen, speedster on the B squad, would be available for this afternoon's meet. He missed last week's activity due to scholastic difficulty.

Local Nine Rallies For 11-10 Victory

Stan Gazay's single with two out in the last inning drove in the game-winning run Wednesday afternoon as the Campbell high nine eked out a 11 to 10 win over San Jose high on the winner's home diamond.

A quartet of pitchers paraded to the mound for the locals as the plate appeared as small as a dusty dime. Although allowing only six hits, Bucs Don Lane, Ron Bacon, Don Bretlinger, and Jim Probst walked a total of eight batters.

San Jose scored once in the first two frames and five times in the third. Campbell tallied once in the second canto and three times in the third.

The visitors made it 8-4 in the top of the sixth but Coach George Miskulin's hustlers came back with a six-run rally that gave them a two-run margin.

But just as quick as you can read this year's rulebook, San Jose tied the knot at 10-all in the final inning. This set the stage for Gazay's single into center sending home the cincher.

Hitting honors were shared by four Bucs, each with two singles apiece. Gazay got two for five while Sonny Walters, Nick Tersigni, and John Peirera each collected two singles in four trips.

CPAGA Growers Receive Progress Payments On Crop

Progress payments exceeding $1,750,000 are being distributed to grower-members of the California Prune and Apricot Growers Association on their 1950 crop prunes, dried apricots, dried peaches, and dried pears, it is announced by Director F. L. Steindorf, local representative of the Campbell-Los Gatos Prune and Apricot Association.

With these payments, Association growers will have received more than $12,500,000 for their 1950 dried fruit deliveries.

Director Steindorf called attention to consumer survey reports showing that consumer purchases of dried prunes in recent months have been in larger volume than a year ago, and that recently there has been some improvement in the demand for cut fruits. This survey is jointly supported by industry factors and the U.S. Department of Agriculture.

Moreland Paper Drive To Raise Recreation Funds

Moreland Elementary School children are conducting a paper drive under sponsorship of the Moreland Recreation Council. Proceeds of the drive will be used for recreation for children of the district, and to provide transportation to swimming classes.

The drive ends April 25. Anyone having papers and magazines to be picked up by drive workers may phone the school during school hours, AX6-4268, or Campbell 4426; in the evenings phone AX6-3919.

Upper grades are competing among themselves for a prize, and lower grades are conducting similar competition. Room mothers are acting as chairman of the classes. Mrs. James Lagiss is the general chairman.

Spartan Athletes Entertain At Boys' League Meeting

A gymnastic team and two wrestlers from San Jose State college highlighted Friday's meeting of the Boys' League at Campbell high.

Five members of Spartan Coach Ted Mumhy's gymnastic squad performed on the trampoline, did hand balancing acts and numerous free exercises.

Paul Reuter and Lou Calvetti, members of the college's mat team, gave their satirical version of professional wrestling. The two Spartans, well versed and well rehearsed, provided many laughs as they went through their "routines" which included all the groans, grunts, and appropriate hero and villan costumes and roles.

At the start of the session John Hoover, out-going president, turned the meeting over to the new prexy for this quarter, Nick Tersigni. Coach Jim Muir attended as faculty advisor.

Chest X-Ray Unit To Visit Union-Cambrian Area

The mobile X-ray unit of the County Tuberculosis Association will be in front of Mac's Market on April 26, from 1:30 to 7:00 p. m. This service is free to all living in this area. X-rays are free, fast and confidential. The report on findings is mailed directly to the individual. Assisting the doctors will be mothers from the Union and Cambrian schools.

He attended school in Lodi and Merritt Business College in Oakland, and hopes to settle in Campbell where he is now seeking a suitable residence. His predecessor has been called into military service.

CINDER CHATTER . . . Before several hundred track fans and almost as many trackmen from various school throughout Northern California, Campbell high school's cinder squad performed impressively Saturday afternoon during the running of the 4th annual San Jose 20-30 Relays.

In fact, the Bucs, in finishing fourth in team totals, wound up as the best local cinder team present. The top two places were copped by San Francisco schools with Salinas taking third. So judging from the Valley and city clubs on tap, the locals stand on fairly solid ground, so far as the inner circles of track supremacy are concerned.

It is safe to say that in winning two events and taking a third, Campbell impressed many schools and fans, in more ways than one.

The tourney fathers had the winners, second, and third place teams (or individuals) mount the trophy stand to accept medals from three comely princesses while the public applauded accordingly.

Every school with the exception of one was nattily garbed in colorful sweat suits before and after each race. During the actual events, the participants displayed bright track suits depicting school colors.

Campbell high showed everyone that it had a winning outfit on the track but it also showed that it had the worst dressed school when it mounted the platform to accept victory tokens.

It was a sad sight for Buc enthusiasts to behold as the local contingent paraded across the stand in anything but a uniform suit. One man wore a pale pink sweat jersey, another wore an equally pale blue one, and a third a tattle-tale grey. Maybe it looked patriotic but it didn't speak highly of the school as a hole-ridden jersey waved in the breeze.

With several of the Bucs turning in remarkable times this early in the season it is a good bet that they will qualify for the State meet next month at Berkeley, let alone figure prominently in the SCVAL finals at Fremont.

We don't know the financial condition of Campbell high but surely we aren't so hard up as to be unable to afford a high-class track team the proper gear in which to strut its stuff before "foreign" audiences.

WHY COACHES AGE. . . Howard Kaeding's bit of absent-mindedness caused no end of discomfort to Buc Coach Junior Morgan during the running of the first heat of the hurdles event Saturday.

Morgan knew that his ace barrier-jumper was scheduled to race in the opening heat. Wating near the finish line Morgan couldn't recognize Kaeding as the hurdlers neared the tape.

Just as they flashed by Morgan spied the Bucster go by . . . in his sweat suit. It so happened that Kaeding ran the race without shedding his warm-up gear. When asked by Morgan why, the lanky speedster just replied, "I forgot." Kaeding completely overlooked the fact yet finished a hair behind Commerce's Whitacker who won in the fast time of 15.2. But the tables were reversed but good in the finals when Kaeding, minus the excess material, sprinted to his 15.1 victory.

Incidentally, Kaeding now has collected four cakes for hs achievements thus far. As regular readers know (if we have any, perchance) Morgan gives a cake to every trackman who betters a school, league, or individual record.

Kaeding started the year with a best time of 16.3 in the highs. Down to 15.1 as of this writing he is expected to hit 14.8 or 14.9 this year. At least Morgan hopes. Regardng the one-way passage of cakes from Morgan's home to Kaeding's stomach, the amiable mentor remarked, "It seems that every time he runs he wins a cake from me." Every coach should have it so good. Maybe if the ante was raised to two cakes per mark, Morgan and family could open a bakery in eager anticipation.

SPPORT SHORTS . . . Few openings remain for young couples in the Adult Badminton program held at the local gym every Thursday night. BERT ROBINSON, director of the recreation program, urges all parents of grammar school children to drop in for a few minutes of badminton play. Players need not be professionals or even good. We've seen some courts in action where the safest object in the gym was the shuttlecock itself . . . PETE YOUNG, former ALL-SCVAL end from Campbell high now attending University of California, s making a determined bid for a varsity spot on the Bear grid squad this Spring . . . The same holds true for DUDLEY HERSCHBACH, another erstwhile Buc flanker . . . He is highly regarded by the Stanford University coaching staff this Spring. DUDLEY was outstanding on the Indian Frosh eleven . . . It wouldn't surprise us if he made the varsity this fall. WANTED . . . an honest, law-abiding umpire to handle the annual Kiwanis-Rotary softball fiasco to be held under the lights next month . . . Maybe it should be held under WATER . . . for about two hours?

YOUNG HIGH SCHOOL STUDENT NOW ON FOOTBALL TEAM

Delmar B. Callaway, Box 151, Church Point, Louisiana, says maybe he isn't the best football center in the country, but he'll bet his pocketknife that there isn't a boy his age who has got the energy he has. Yes, Delmar now feels great! . . . and he says he has HADACOL to thank because his mother read how HADACOL was helping boys and girls suffering from deficiencies of Vitamins B1, B2, Niacin and Iron and decided to give it to him.

Remember, there are no substitutes for HADACOL. Always insist on the genuine HADACOL. No risk involved. Buy a bottle of HADACOL, either the trial size, $1.25, or the large family or economy size, $3.50, and if HADACOL doesn't help you, you will get your money back.

LUXURY TAX ON MEAT?

We sort of had the idea that meat was practically a necessity. But that isn't the way some efficiency experts in Washington have it figured. Seems as though they discovered that 56 pounds of corn turn out to be only 4½ pounds of beefsteak after it's fed to a steer. The experts say this process is so inefficient that meat ought to be called luxury and taxed accordingly. Furthermore, they recommend cornbread as a substitute.

Well, be that as it may, we have a hunch that even the best cornbread (9 times more efficient than beef), just won't ever replace steak on most tables, no matter how efficient it is. But don't worry too much—we understand the luxury tax idea probably won't get very far.

By the way, have you tried the Grab Bag lately? Western is proud of the fact that it's now better than ever! We can't guarantee how efficient the steers are with their food, but we do know that meat at Western is top quality and 100% Government Inspected. What's more, we know that once the meat gets to Western, efficiency starts right away. Streamlined operating methods that make it possible to give you a Grab Bag, full of the finest meat, as low as 49c a pound.

HAM THIEVES

We heard about a gang of car thieves in Passaic, N.J., that made off with a truck full of hams from a meat packing company. After a quick study of comparative values they deserted the truck and kept the hams. No wonder, though—the hams were worth $2000.

REAL HUNGER!

The other day a woman rushed into a butcher shop, quickly picked up a bag of bones for her dog and dashed to the head of the waiting line at the pay counter. Rudely squeezing into first place she turned to the lady behind her saying, "I hope you don't mind my being served first." Then came the reply, "Why of course not darling ... if you're that hungry!"

Say, how about your stock of Frozen Foods? Western still has them for just 19c a package. They're the top brands in the country, too. So here's your chance to really stretch that grocery budget.

Yes, folks, join the Western "regulars." We mean those folks who always make Western Cold Storage their headquarters for meats and frozen foods. They've learned it pays to shop the "Western" way!

Three Changes Proposed To Save State Unemployment Insurance Fund

By ROSS GRAHAM

(Editor's Note: This is the tenth of a series of ten special articles.)

California's unemployment insurance system is facing a crisis. Slowly, but steadily, it is going broke. The solution is in the hands of the 1951 state legislature. Either of three things will happen unless the legislature acts:

The tax, now entirely paid by the employers, will have to be raised.

Employers, who since May 1946, have not paid for unemployment insurance, will again have to find their paychecks reduced by a 1 per cent, or more, deduction for unemployment insurance.

Or, as provided by the present law, when the fund reaches a predetermined low point, ALL INSURANCE PAYMENTS TO THE UNEMPLOYED WILL BE STOPPED.

The changes suggested in this series of articles, if made by the present state legislature, will stop some of the frauds and chiseling aganist the fund, and avoid any of the three unpleasant alternatives abvoe, as long as the present high employment continues.

Already "merit rating," which fixed the employers' rate of unemployment insurance tax from 0 to 2.7 per cent, is temporarily "out of the window".

Largely because of chiseling, the unemployment insurance reserve fund in California was so reduced in 1949 that starting the first of January, 1950, every employer under the act was assessed a minimum tax of 1 per cent.

Some employers had such a good record of continued employment for their workers that they paid no tax in 1948 and 1949.

Now, through no fault of their own, they are paying a tax the same as levied on less efficient employers.

Of course, as it becomes financially more difficult to do business, partly because of high taxes, workers are liable to lose their jobs entirely. Many employers in the past have been taxed out of business.

This is not a sympathey plea for employers.

If the unemployment insurance reserve fund drops below a certain point, unemployment insurance can be stopped altogether. That would be a terrible situation for millions of honest conscientious working people in California who in future, through no fault of their own, might be out of jobs.

They would not be able to get any unemployment insurance.

Before that would happen, the legislature undoubtedly would restore the tax on workers, which was shifted from unemployment insurance in 1946 to disability, or sickness, insurance.

Then, instead of paying 1 per cent of their salaries as at present into the disability insurance fund, the workers of California would be paying at least 2 per cent, the additional 1 per cent going to restore the unemployment insurance reserve fund.

Workers would not like that. Their "take-home" pay already has been reduced by various taxes to the point of widespread complaints.

The 1951 legislature has the solution for this dangerous situation and if the workers as well as emplyers in each assembly and state senatorial district make their wishes known to their legislators, the legislature can save the unemployment insurance fund.

Three things must be done by the legislature.

It must tighten up the "voluntary quit regulations, so that a person cannot quit a job voluntarily and get unemployment insurance unless he has a good reason directly connected with his job.

It must correct the present law which permits the filing of "lag-quarter" claims, whereby a person can loaf on unemployment insurance a total of 12 months out of an 18-month period.

It must tighten up the rules governing the persons getting unemployment insurance payments when they are sent out by the commission on calls from prospective employers. The racketeers now find it easy to avoid taking such jobs by making an unfavorable impression on the prospective employers.

There are many other deficiencies in the unemployment insurance act which should be corrected. Efforts will be made to correct some of these other deficiencies during the 1951 session of the legislature.

But the correction of these three things alone make it possible for the unemployment insurance fund balance to be increased during the year rather than to continue to lose money faster than it is collected.

During 1949 the fund went down $118,000,000. During 1950, despite the high employment, it is estimated the fund will have shown another $23,000,000 deficit.

The chiseling referred to above is estimated to take at least $75,000,000 yearly from the fund. Some estimate even more.

Simple arithmetic will give the answer.

The legislature can give the remedy.

Only the people, by making their wishes known to the members of the legislature, can assure that these needed reforms are made.

It is up to the workers and employers alike.

The End.

Parents Invited To Visit Classes At Moreland

Public Schools Week will be a conference week for parents at Moreland Elementary School. The observance begins next Monday.

Mrs. Gussie Baker, principal said the school has recently adopted a new type of grade card, and this will be discussed with parents who are invited to call at the school next week. In addition, parents will confer with teachers on progress of their children.

A shortened schedule for the school day has been arranged in order that parent conferences may be scheduled for the afternoons. A fine response has been received from parents, she said. Those wishing transportation to the school may phone AX 6-4628.

Parents are asked to visit the classes in session any day of the week, preferably in the mornings when the basic subjects are taught.

The Parent-Teacher Association is assisting with transportation and will serve as hospitality committee.

Moreland School Contract To Lauer

Moreland Elementary School signed a contract Wednesday with George Lauer, San Jose contractor, for new construction at the present Payne Avenue site, Mrs. Gussie Baker, principal, has announced.

The $250,251 contract calls for construction of six upper grade classrooms, two kindergarten rooms, a new administration unit having office, two nurses rooms, supply room, principal's office; additional lavatories, heater room and storage room.

Completion date for the above is August 19. Upon completion, Lauer will remove the 1894 school building and build a new cafetorium on that site, including adjoining covered bus loading zone.

In the cafetorium building will be a library stack room for 2500 to 3000 books and space for librarian's desk, and a small music room for lessons and instrument storage.

SCHOOLS TO HOLD OPEN HOUSE FOR SCHOOLS WEEK

Public Schools Week in Campbell Union School District will be observed by informal open house at the three schools in the afternoon and evenings of next week.

Campbell Grammar School will hold open house between 7:30 and 9 o'clock on Wednesday evening. Classrooms will be open for exhibition of children's work, and all parents and friends are invited. Dorothy Royce, principal, said the evening will not be used for parent-teacher conferences, but as an opportunity to exchange greetings with the parents.

Parents are also invited to a spelling match of district fourth graders to be held in the grammar school auditorium at 9:30 o'clock Wednesday morning. The spelling match is an annual event now in its third year. Parents of fourth grade children have been selected as judges. The spelling match will be followed by a short program.

MOORPARK

Moorpark School has set aside Tuesday afternoon to welcome parents who wish to visit classes and meet the teachers. Principal John Duncan said display arrangements of pupil work are being made by individual teachers.

SAN TOMAS

San Tomas School parents and friends are invited to meet the teachers and view childrens' work at an Open House to be held 7:30 to 9 o'clock next Thursday evening. Each room will display pupil work representative of the general class studies and special room projects in social studies.

Some of the children will act as hosts and hostesses to explain the work to parents. Principal William Shuey said he hopes many parents and friends in the district will be able to attend, and expressed a special desire to see a good turnout of fathers.

Much of the display will be explained in detail by a special issue of the school newspaper which will be put out during Public Schools week.

Thank You Friends!

for your valuable support and patronage during the past two months. It has been very gratifying and heartwarming to know that we have so many good friends in Campbell to depend on during a period of trial. We are still being picketed by the Cooks and Waiters Union who ask that we sign a contract. As we have told you in the past, we are not opposed to organized labor—quite the contrary—we are in favor of it. But we feel this particular action on the part of the union is unwarranted. Our employees do not want it—and we can see no material gain for either our employees or for ourselves.

Again may we Thank You for your fine support in the past and look forward to your continued friendship during the future.

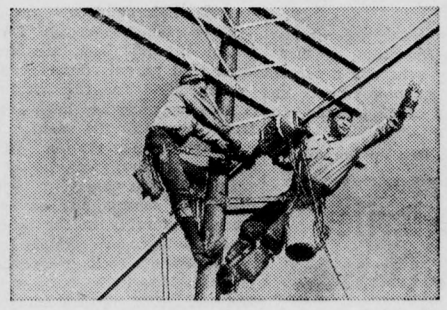
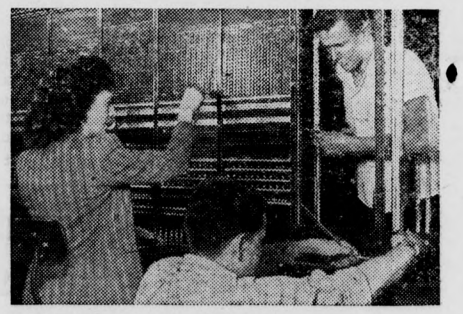
Telephone service is always homemade, in and for each community we serve. Here a cable goes into service.

MORE HOME-TOWN SERVICE FOR WEST'S HOME TOWNS
We're putting many millions more into telephone facilities this year



1. All across the West, in the country and in the cities, telephone people are still hard at it expanding and improving the telephone system. For our population continues to grow. The demand for new telephone service goes right on... in spite of our having doubled the number of telephones in use in the past ten years. And doubling the amount of money invested in the telephone business in just five years.



2. New facilities, installed in just the past five years have increased our plant $660,000,000, the largest expansion program ever executed by any public utility operating company. Again in 1951, we'll put many millions of investors' money into the West. Much of the material we will use will be purchased in the West's towns and cities. Certainly most of them will benefit from the program's jobs and payrolls.

3. It's taken a tremendous investment to build to serve the million and a half new telephones we've added since 1945. And, building as we have in the face of inflated costs, the equipment to serve a new telephone has averaged about $400. Before 1940, the average was about $250. Yet rates are up far less than our costs of providing service...on the average less than half as much as the cost of living. Your telephone is one of your budget's best friends.

SERVICE NOTES

World War II veterans who plan to use either state or federal assistance in pursuing school or college studies this summer are strongly advised by John W. Davis, Veterans Service officer, to take the necessary preliminary steps immediately.

"The situation is complicated this year," Mr. Davis said, "by the expiration in mid-summer of the right of a veteran to start or resume training under the Federal GI Bill of Rights—July 25 in most cases."

In some cases, a veteran who is eligible for "Cal-vet" as well as GI Bill benefits will be wise to use state assistance in the summer session and go back to federal assistance in the fall term, assuming he has kept his federal entitlement alive by attending school in the spring.

It all depends, Davis added, on several factors; the veteran's educational objective, his resources, his obligations, and the amount of entitlement he has remaining.

To be eligible for "Cal-Vet" assistance, a veteran must have been born in California or have been a resident of this State when he entered military service, and must have served at least 90 days on active duty prior to January 1, 1947.

He may be entitled to payment for tuition and fees and for subsistence allowance of $40 a month, up to a maximum expenditure in his behalf of $1,000.

Eligibility application forms and further information on State educational assistance are available at the Santa Clara County Veterans Service Office, 215 North First Street, San Jose; or, Miss Hill, assistant service officer, is in Mt. View every Tuesday a.m. at the city hall; and in Palo Alto at the employment office every Tuesday p.m. until 4:30. Mr. Davis is in Morgan Hill every Thursday a.m. at the city hall, and every Thursday p.m. at the employment office in Gilroy until 4:30.

AAUW GROUP PLANS SPRING FASHION SHOW

Balloons, spring flowers and gay bunting will combine with the natural beauties of the garden amphitheater of Montalvo to provide the setting for "A Fashion Fair," the fashion show and tea being presented by the Recent Graduates of the American Association of University Women on Saturday, April 28, at 2 p.m.

To benefit the Los Gatos-Saratoga Parent-Child Counseling Program and the AAUW Fellowship Fund, a program which provides scholarships for foreign women students at universities in the United States, Joseph Magnin of Palo Alto and the Calico Shop at Los Gatos will present their newest spring and summer fashions in sizes and styles of interest to everyone.

Tickets for the fashion show and tea are $1.25 and may be purchased from any recent graduate members of AAUW or by calling Mrs. E. L. L. Benson at ELgato 4-1478.

Mrs. Robert G. Beverly, General Chairman of "A Fashion Fair," has announced the names of committee members for the show.

COMMITTEES:

Assistant chairman in charge of stores and models is Mrs. Harold H. Hayes.

JOHN W. BROWN

The novel position of being a "soldier for a day" was the recent experience of John W. Brown, radarman, third class, USN, son of Mr. and Mrs. John R. Brown of 1045 Carola Avenue, Campbell, who is a sailor attached to Naval Amphibious Group 3 in Korea.

The experience was occasioned when Lt. Gen. Matthew B. Ridgway, U.S.A., the then Eighth Army Commander, and Rear Admiral L. A. Thackerey, commander of Amphibious Group 3, arranged an "exchange for a day" program between Army and Naval personnel.

This plan gave the Navy men a chance to try out foxholes for size, while the Army men boarded ships at Inchon to gather a little "salt."

Amphibious Group 3 has seen action at several amphibious landings in Korea, and assisted in the redeployment of political refugees from Inchon when the Communists overran that port.

BILL MAC HIGH

Bill Mac High, son of Mr. and Mrs. Riley High of 680 Crockett Ave., Campbell, is enjoying a few days leave from the Navy. Billy enlisted in the Navy through the San Jose Navy Recruiting Station in April, 1950, and after finishing his recruit training, was assigned to the Seaman Guard at San Diego. He has been on duty there standing watches at the main gates.

Mills College Alumnae To Hear Dr. George Hedley, Sociologist

"A Christian View of Communism" is the timely topic chosen by Dr. George Hedley, Mills College chaplain and professor of economics and sociology, for his lecture to Mills alumnae of this area at their April meeting. Mrs. Llewellyn Peck, of Orchard Road, Saratoga, will be hostess to Mills alumnae, their husbands, and friends on Friday evening, April 20, at 8 o'clock.

Dr. Hedley has an unusual background and a varied career as an educator, author, poet, explorer and labor leader. It was in his capacity as director of the Pacific Coast Labor School from 1936 to 1941 that he came directly in contact with the activities and methods of communists.

His numerous writings include books on labor and religious subjects, pamphlets, articles, and poems. In 1946 his "The Christian Heritage in America" was a selection of the Religious Book Club and was awarded the silver medal of the Commonwealth Club of California. His latest book is "The Symbol of Faith,"

Dr. Hedley was born in Tientsin, China, and educated in China, England and the United States. He received his B. A. and M. A. from the University of Southern California; his Bachelor of Divinity degree from the Maclay School of Religion, and his Doctor of Theology degree from the Pacific School of Religion. Later he taught at the College of Puget Sound, the Pacific School of Religion and Hartford Theological Seminary. In 1927 and 1929 he was recorder and photographer with the Tell en-Nasbeh Expedition of the Palestine Institute.

All alumnae in the southern part of Sana Clara County are invited to the meeting and, if not otherwise notified, may call Mrs. Rymund P. Wurlitzer, chairman, in San Jose, or Miss Mary Corbus of Los Gatos.

CONG'L CHURCH TO CELEBRATE 62nd YEAR

Sunday, Aprill 22, will be the annual "Anniversary Sunday" at the Congregational Church of Campbell, marking the 62nd anniversary of the founding of the church.

It will be observed as "Church Family Day", with emphasis upon the bond of fellowship which unites the members and friends in one church family. At the 10:30 a. m. service there will be baptisms, reception of members, roll call of members, and a report on church attendance for the past year. Dr. Corwin H. Olds, the minister, will preach on "There Were Giants In The Earth In Those Days." Church School, with nursery for infants, is at the same ime as the church service.

Beginning at 1:30 o'clock, the afternoon will be devoted to supervised games for children of church school age, and at 5 p. m. all members and friends of the church will gather for a potluck fellowship dinner in Merriman Hall. This will be followed by a puppet show designed for adults as well as children, and the whole program will be over in time so everyone can be home by 7:30 p. m.

MORE ABOUT MAIL SWITCH

(Continued from page 1)

on to Los Gatos from here, but Los Gatos rural carriers do not wait for that delivery, thus the mail delivered by the Highway Postoffice at Los Gatos is held over for delivery on the following day."

Postmaster Briggs of Los Gatos told the Campbell Press, "The first thing I heard of it was when Mr. Grim brought it to my attention two days ago. As far as I know a couple of real estate men are doing it because they think it will raise property values.

"I have never talked to any realtor or any attorney about it. They have never asked either postoffic about it, either Campbell or Los Gatos.

"It is a poor way of doing things, and I think it is an underhanded way. I wouldn't do a thing like that. Postoffices just don't go into such things.

"I am personally acquainted with the attorney, and he has never mentioned it to me."

One woman in the Valley Homes area said she had a copy of the petition. "One of the real estate men gave it to me thinking I could collect some names." She indicated approval of the switch to Los Gatos mail service, saying she understood it would increase her property value by about $200.

CONTRACTOR

The other real estate man allegedly backing the petition was said to be a contractor in the area. He could not be reached but his wife stated in a phone conversation that "We're in Campbell mail district, but some people here would like to go in with Los Gatos and I believe they will . . . It will be annexed." The reason, she said, is "just advantage of property." Asked if that wouldn't mean increased taxes she said, "No, there wouldn't be more taxes. Some people like the idea. They would rather go in Los Gatos.

"It doesn't make much difference as far as we're concerned," she continued. "It started more down in Aquino Park. The petition began down there. We don't object. It's entirely up to the people."

She agreed that the Los Gatos mailing address would increase property values, adding that "We are actually in Redwood Township and might just as well have our mail from there."

After saying that someone's stepson who works in theLos Gatos postoffice was behind the move, she became cautious, said "Lady, I think you want too much information. You better go somewhere else."

The Los Gatos realtor's attorney denied that he had conferred with both postmasters on the matter. "A long time ago the contractor, who owned property out there, wanted to see if he could transfer to a Los Gatos maling address." The attorney said this was at least six months ago and that he had simply drawn up a petition form for the man, and had heard nothing further of the matter.

Names of some of the persons quoted in the foregoing story have been withheld, but are on file at the Campbell Press office.

Food Retailers Must File OPS Price Statements

Owners and operators of public eating places and retail stores selling food products must file price statements with the Office of Price Stabilization before the end of this month, Homer F. Potter, district director, warned today.

Failure to file price statements will seriously cripple the government's price control program, he said.

Groceries, delicatessens, and all other types of stores selling food products have until April 28 to file their statements with the district office at 1417 Clay Street, Oakland. The deadline was set in Ceiling Price Regulation Nos. 15 and 16 which cover sale of retail food products.

Restaurants, taverns, hotels serving food in dining rooms and rooms, and all other types of public eating establishments, including guest houses and hot dog stands, must have their statements in the district office by April 30. The date was prescribed by Ceiling Price Regulation No. 11 which covers public eating places.

"Filing of the pricing charts will mark the first big step taken by the country's retailers in the nation's all-out effort to stop inflation and stabilize prices," Potter declared.

Copies of the orders and required forms have been sent out with a letter of instruction to the retailers, as well as to the Chambers of Commerce and trade associations.

"If, for any reason, an individual retailer has not received copies of the orders and forms he needs, he should obtain them at once from his Chamber of Commerce, trade association, or from the District Office of Price Stabilization at 1417 Clay Street, Oakland," the director stated.
